This Player Development Program is for club members and new residents who are interested in learning more about the game and what the club has to offer. It is conducted on Wednesdays from 8:00 to 11:00 AM. (Weather Permitting, based on field conditions).

Check our website for these updates @ www.suncitysoftball.com

We have a group of instructors available each week to help you learn (or improve) your softball skills, specializing in fielding, throwing, pitching, batting, and general knowledge of the game. We provide a GOOD START to senior slow-pitch softball as played in Sun City.

If you are new to slow-pitch softball, have not played in years, or are coming back from an injury, this is the place for you.

You need to be in reasonably good condition as this game can be very demanding. It is open to men and women of all skill levels.

This is NOT a league and there is no season. You may participate in the program 3 times before you need to join the Sun City Softball Club.

Important Note: If you wish to participate in one of our three leagues (Tu/Th, Weekend, WSL) you will need to be assigned a “Club Rating.” Furthermore, you **MUST** attend a Wednesday Instructional session prior to signing up to be rated. At that time, we will fully explain (and prepare) you for the Ratings Day process.

Also, if you have yet to join the club as a member, you must sign a Waiver of Liability form before participating in our Player Development Program.

If you have any questions, please contact Ron as listed above. We look forward to working with you!
